

GET A JUMP ON THE COMPETITION!

This is will be the 4th year of the Copper Country Youth Football Camp. The first years have been a huge success, with over 60 athletes participating each year. Each year this camp has grown and we are expecting an even better camp this year.

This camp will provide each player an opportunity to learn fundamental skills from top coaches in the Copper Country. Players will be taught fundamental skills involved with offense, defense, and different aspects of the kicking game.

The goal of this camp is to help each player develop and become a better football player and have fun doing it.

Fee: \$25
